Luka Ploče Group

INTERIM MANAGEMENT REPORT

for the 4th quarter of 2023

Luka Ploče Group comprises: Luka Ploče d.d. ("Company"), Pomorski servis Luka Ploče d.o.o., Luka šped d.o.o and Pločanska plovidba d.o.o.

- The **throughput** for the period ended 31 December 2023 amounted to 4,779,698 tons, evidencing a **decrease of 14%** in comparison to the same period in the prior year (2022: 5,567,686 tons). This is primarily attributed to a decline of 21% in bulk cargo throughput brought about by a decrease in the throughput of coal (-9%), scrap iron (-59%) and sugar (-55%) when compared to 31 December 2022. It is necessary to note that the Russian-Ukrainian crisis which emerged in 2022 contributed positively to the Company's operations as a result of the disruption noted across global logistics flow chains and it continues to contribute positively during 2023 albeit to a lesser extent. The total throughput of the Company continues to evidence high growth when compared to the levels of throughput prior to the crisis (22% growth when compared to the same period in 2021 (2021: 3,914,085 tons)).
- Although throughput notes a decline of 14% when compared to the same period in the prior year, **income from sales** amounts to 38,084 thousand euro, evidencing an **increase of 1%** in comparison to the same period in the prior year (2022: 37,646 thousand euro). **Income from trading** amounts to 38,862 thousand euro, a **34% decrease** when compared to the same period in the prior year (2022: 59,094 thousand euro). Global commodity prices continue to demonstrate a declining trend when compared to the same period in the prior year, the effect of which impacts and will continue to impact income from sales (and the related cost of sales).
- Operating expenses amount to 60,489 thousand euro (2022: 81,305 thousand euro), of which 37,278 thousand euro relates to the cost of goods sold (2022: 58,324 thousand euro). **Operating expenses excluding the cost of goods sold** evidence a **1% increase** in comparison to the prior year.
- **EBITDA margin excluding the impact of trading** for the period ended 31 December 2023 amounts to **40%** which aligns to said in 2022.

The Russian-Ukrainian crisis and impact of sanctions imposed against Russia on the business

Taking into consideration the previous two years, we note that the Russian-Ukrainian crisis has contributed positively to the Company's operations as a result of the disruption noted across global logistics flow chains. Namely, intensified congestion was noted in the northern ports with the Black Sea being positioned close to the warzone. This resulted in a heightened increase in vessel insurance costs which further contributed to the growth in overall costs of logistics across that route, coupled with already prominent congestion present. Consequently, the challenges redirected additional business by means of driving additional throughput to the Company. This can be seen when comparing current period throughput to the period prior to the crisis - an **increase of 22%** in throughput was noted when comparing quarter 4 of 2023 to quarter 4 of 2021. Although a 14% decrease in overall throughput was noted in quarter 4 of 2023 as compared to quarter 4 of 2022, operating income excluding trading income evidences a **3% growth** for the Company and a **1% growth** for the Group when compared to quarter 4 of 2022.

Luka Ploče Group
INTERIM MANAGEMENT REPORT
for the 4th quarter of 2023

The Russian-Ukrainian crisis and impact of sanctions imposed against Russia on the business (continued)

The Group does not execute any financial transactions with any Russian financial institution and does not have financial exposure to same. There were no transactions with Russian goods during 2023, rather the Company substituted the same with American coal.

While the impact of the sanctions against Russia demonstrated a positive impact on the income from port activities, an increase in costs relating to raw materials and supplies was noted, together with marked volatility in capital markets (e.g., increased operating costs, challenges in the supply and demand chain, high inflation, etc.).

The Company and the Group have assessed the associated risks arising from the aforementioned as follows:

- Increase in the cost of transport, raw materials and supplies, energy and fuel (when compared to the prior year), which is further transferred to other costs.
- Given the significant increase in costs and compounded by logistical challenges faced, the Company has noted a significant increase in requests for advance payments by suppliers while the delivery time for receipt of goods from suppliers has been prolonged. Consequently, the Company has had to proactively plan and manage its financial resources to meet known current needs and unforeseen circumstances, including the need for increased advanced payments. Taking all this into account, the Company's liquidity had been impacted which gave rise to the need for additional financing.

The Company and Group actively participate in the market in order to better position itself in these circumstances.

Investments at a glance

During 2022, the purchase of port transport equipment with a total value of 2.3 million euro was contracted. From a total of 15 items contracted, all have been delivered to date.

During the third quarter of 2023, the purchase of 4 unloaders was contracted, which were delivered in January 2024.

During the fourth quarter of 2023, the purchase of 1 excavator, 4 container trailers and ramps for the bulk cargo terminal were contracted. In addition, Pomorski servis Luka Ploče d.o.o. purchased a new truck for waste collection and contracted the purchase of a new tug boat.

Projects in progress:

- Special cargo terminal Dračevac;
- Photovoltaic power plant – 803 Kw.

Trade receivables, financial indebtedness and the Group's liquidity outlook

Trade receivables as at 31 December 2023 amounted to **22,396 thousand euro**, which evidences a decrease of **8%** when compared to the same period in the prior year. **87%** of the total trade receivables are **not yet due**, of which **60%** relate to **trading goods not yet dispatched**.

Luka Ploče Group
INTERIM MANAGEMENT REPORT
for the 4th quarter of 2023

**Trade receivables, financial indebtedness and the Group's liquidity outlook
(continued)**

Liabilities to banks are long term in nature and amount to 15.5 million euro on 31 December 2023. These relate to:

- HBOR loan which was contracted in 2018 at a fixed interest rate, amounting to 10.7 million euro.
- In the third quarter of 2023 the Company refinanced the purchase of a new mobile port crane by means of a long-term structured loan from HPB, which was contracted at a variable interest rate and amounts to 4.7 million euro.
- Pločanska plovidba d.o.o. has a loan from PBZ with a variable interest rate which amounts to 209 thousand euro.

The Group has no other liabilities to banks. On 31 December 2023 there are no irrevocable letters of credit.

Cash and cash equivalents **increased** by **211%** from 5,941 thousand euro on 31 December 2022 to **18,481 thousand euro** on 31 December 2023.

The Group continues to maintain a satisfactory level of liquid assets sufficient to meet all liabilities as they fall due.

Human resources

The **employee headcount** has **decreased** from 476 employees as at 31 December 2022 to **474** employees as at 31 December 2023. Employee costs have remained constant when compared to the same period in the prior year. The average gross salary per employee amounts to 1,469 euro in quarter 4 of 2023, while the same amounted to 1,321 euro in the prior year, evidencing an **11% increase** in average gross salary year-on-year.

Name of the issuer: Luka Ploče d.d.

Personal identification number (OIB): 51228874907

Reporting period: 01.01.2023.-31.12.2023.

Notes to financial statements for quarterly periods include:

- a) explanation of business events relevant to understanding changes in the statement of financial position and financial performance for the reporting semi-annual period of the issuer with respect to the last business year: information is provided regarding these events and relevant information published in the last annual financial statement is updated (items 15 to 15C IAS 34 - Interim financial reporting)
- b) information on the access to the latest annual financial statements, for the purpose of understanding information published in the notes to financial statements drawn up for the semi-annual reporting period
- c) a statement explaining that the same accounting policies are applied while drawing up financial statements for the semi-annual reporting period as in the latest annual financial statements or, in the case where the accounting policies have changed, a description of the nature and effect of the changes (item 16.A (a) IAS 34 - Interim financial reporting)
- d) a description of the financial performance in the case of the issuer whose business is seasonal (items 37 and 38 IAS 34 - Interim financial reporting)
- e) other comments prescribed by IAS 34 - Interim financial reporting
- f) in the notes to quarterly periods financial statements, in addition to the information stated above, information in respect of the following matters shall be disclosed:
 1. undertaking's name, registered office (address), legal form, country of establishment, entity's registration number and, if applicable, the indication whether the undertaking is undergoing liquidation, bankruptcy proceedings, shortened termination proceedings or extraordinary administration
 2. adopted accounting policies (only an indication of whether there has been a change from the previous period)
 3. the total amount of any financial commitments, guarantees or contingencies that are not included in the balance sheet, and an indication of the nature and form of any valuable security which has been provided; any commitments concerning pensions of the undertaking within the group or company linked by virtue of participating interest shall be disclosed separately
 4. the amount and nature of individual items of income or expenditure which are of exceptional size or incidence
 5. amounts owed by the undertaking and falling due after more than five years, as well as the total debts of the undertaking covered by valuable security furnished by the undertaking, specifying the type and form of security
 6. average number of employees during the financial year
 7. where, in accordance with the regulations, the undertaking capitalised on the cost of salaries in part or in full, information on the amount of the total cost of employees during the year broken down into the amount directly debiting the costs of the period and the amount capitalised on the value of the assets during the period, showing separately the total amount of net salaries and the amount of taxes, contributions from salaries and contributions on salaries
 8. where a provision for deferred tax is recognised in the balance sheet, the deferred tax balances at the end of the financial year, and the movement in those balances during the financial year
 9. the name and registered office of each of the undertakings in which the undertaking, either itself or through a person acting in their own name but on the undertaking's behalf, holds a participating interest, showing the proportion of the capital held, the amount of capital and reserves, and the profit or loss for the latest financial year of the undertaking concerned for which financial statements have been adopted; the information concerning capital and reserves and the profit or loss may be omitted where the undertaking concerned does not publish its balance sheet and is not controlled by another undertaking
 10. the number and the nominal value or, in the absence of a nominal value, the accounting par value of the shares subscribed during the financial year within the limits of the authorised capital
 11. the existence of any participation certificates, convertible debentures, warrants, options or similar securities or rights, with an indication of their number and the rights they confer
 12. the name, registered office and legal form of each of the undertakings of which the undertaking is a member having unlimited liability
 13. the name and registered office of the undertaking which draws up the consolidated financial statements of the largest group of undertakings of which the undertaking forms part as a controlled group member
 14. the name and registered office of the undertaking which draws up the consolidated financial statements of the smallest group of undertakings of which the undertaking forms part as a controlled group member and which is also included in the group of undertakings referred to in point 13
 15. the place where copies of the consolidated financial statements referred to in points 13 and 14 may be obtained, provided that they are available
 16. the nature and business purpose of the undertaking's arrangements that are not included in the balance sheet and the financial impact on the undertaking of those arrangements, provided that the risks or benefits arising from such arrangements are material and in so far as the disclosure of such risks or benefits is necessary for the purposes of assessing the financial position of the undertaking
 17. the nature and the financial effect of material events arising after the balance sheet date which are not reflected in the profit and loss account or balance sheet

a) Refer to the INTERIM REPORT for quarter 4 of 2023.

b) The latest annual financial statements of the Issuer can be accessed on the Issuer's official website: www.lukaploce.hr; the Zagreb Stock Exchange website: www.zse.hr; as well as on the Official register of prescribed information (HANFA).
