**Luka Ploče d.d.**  
**INTERIM MANAGEMENT REPORT**  
for the 1<sup>st</sup> quarter of 2024

- The **throughput for the period** ended 31 March 2024 amounted to 973,213 tons, evidencing a **decrease of 17%** in comparison to the same period in the prior year (2023: 1,175,098 tons). This is primarily attributed to a decline of 28% in bulk cargo throughput brought about by a decrease in the throughput of coal (40%) as well as pig iron and scrap iron (25%) when compared to the same period in the prior year. Although a total decrease was noted in bulk cargo throughput, an increase in throughput relating to coke and clinker was noted (comprising 16% of the total throughput in bulk cargo in 1<sup>st</sup> quarter). General cargo throughput evidenced an increase of 11% primarily attributed to the increase of throughput relating to steel coils. Liquid cargo throughput evidenced an increase of 6% when compared to the same period in the prior year.

- It is necessary to note that the Russian-Ukrainian crisis which emerged in 2022 has contributed positively to the Company's operations as a result of the disruption noted across global logistics flow chains and it continues to contribute positively during 2024 albeit to a lesser extent. The total throughput of the Company continues to evidence high growth when compared to the levels of throughput prior to the crisis (**25% growth** when compared to the same period in 2021 (2021: 780.564 tons)).

- Income from sales** amounted to 7,918 thousand euro, evidencing an **decrease of 1.4%** in comparison to the same period in the prior year (2023: 8,030 thousand euro). The drop in throughput is not aligned to the drop in income from sales, given growth noted in the sales price of handling services. **Income from trading** amounted to 14,824 thousand euro, evidencing a **5.86% increase** when compared to the same period in the prior year (2023: 14,003 thousand euro), attributed to a growth in global commodity prices.
- Operating expenses excluding depreciation and amortisation** amounted to 19,203 thousand euro (2023: 17,935 thousand euro), of which 14,451 thousand euro relates to the cost of goods sold (2023: 13,452 thousand euros). **Operating expenses excluding the cost of goods sold** evidence a **5.99% growth** in comparison to the same period in the prior year. This increase can be attributed primarily to the growth in the **staff costs and costs related to collective agreement (14%), raw material and supplies costs (39%)** and to a lesser nominal extent the increase in utilities (49%), security costs (39%), and water and drainage (261%) – which together comprise 148% of the total increase in costs when compared to the same period in the prior year.
- EBITDA margin excluding the impact of trading** for the period ended 31 March 2024 amounted to **40%** while the EBITDA margin for the same period in 2023 amounted to 46%.

### The Russian-Ukrainian crisis and impact of sanctions imposed against Russia on the business

Taking into consideration the previous two years, we note that the Russian-Ukrainian crisis has contributed positively to the Company's operations as a result of the disruption noted across global logistics flow chains. Namely, intensified congestion was noted in the northern ports with the Black Sea being positioned close to the warzone. This resulted in a heightened increase in vessel insurance costs which further contributed to the growth in overall costs of logistics across that route, coupled with already prominent congestion present. Consequently, the challenges redirected additional business by means of driving additional throughput to the Company. This can be seen when comparing current period throughput to the period prior to the crisis - an **increase of 24%** in throughput was noted when comparing quarter 1 of 2024 to quarter 1 of 2021.

**Luka Ploče d.d.**  
**INTERIM MANAGEMENT REPORT**  
for the 1<sup>st</sup> quarter of 2024

## **The Russian-Ukrainian crisis and impact of sanctions imposed against Russia on the business (continued)**

The Company did not execute any financial transactions with any Russian financial institution and does not have financial exposure to same. There were no transactions with Russian goods during 2024, rather the Company substituted the same with American coal.

The Company has assessed the associated risks arising from the aforementioned as follows:

- Increase in the cost of transport, raw materials and supplies, energy and fuel (when compared to previous years before the conflict), which is further transferred to other costs.
- Given the significant increase in costs and compacted by logistical challenges faced, the Group has noted a significant increase in requests for advance payments by suppliers while the delivery time for receipt of goods from suppliers has been prolonged.

Although the above-mentioned risks still exist, a reduced inflationary pressure on the Company's operations compared to 2022 and 2023 has been observed (e.g. in terms of commodity prices). However, the pressure of heightened macroeconomic factors are still visible when considering the Company's operations, and our clients' business.

The Company continues to maintain a satisfactory level of liquid assets sufficient to meet all liabilities as they fall due, and the need for additional short-term financing has not been noted in the prior and current year.

## **Trade receivables, financial indebtedness and the Company's liquidity outlook**

**Trade receivables** as at 31 March 2024 amounted to **20.2 million euro**, which evidences an decrease of **9%** when compared to the same period in the prior year. **65%** of the total trade receivables are **not yet due**, of which **29%** relate to **trading goods not yet dispatched**. 88% of overdue receivables have a maturity of less than 30 days.

**Liabilities to banks** are long-term in nature and amounted to 14,861 thousand euro on 31 March 2024. These relate to:

- HBOR loan which was contracted in 2018 at a fixed interest rate, amounting to 10.5 million euro.
- HPB loan, which was contracted at a variable interest rate linked to the EURIBOR and amounted to 4.4 million euro.

The Company has no other liabilities to banks.

**Cash and cash equivalents increased** by **14%** from 17,114 thousand euro on 31 December 2023 to **19,478 thousand euro** on 31 March 2024. There were no **irrevocable letters of credit** as at 31 March 2024.

The Company continues to maintain a satisfactory level of liquid assets sufficient to meet all liabilities as they fall due.

## **Human resources**

The **employee headcount** has **decreased** from 417 employees as at 31 March 2023 to **393** employees as at 31 March 2024. **Staff costs** have **increased** by **8%** as compared to the same period in the prior year. The **average gross salary per employee** amounts to 1,508 euro in quarter 1 of 2024, while the same amounted to 1,328 euro in the prior year, evidencing an increase of **14%**.

NOTES TO FINANCIAL STATEMENTS - TFI

(drawn up for quarterly reporting periods)

Name of the issuer:           Luka Ploče d.d          

Personal identification number (OIB):           51228874907          

Reporting period:           01.01.2024.-31.03.2024.          

Notes to financial statements for quarterly periods include:

- a) explanation of business events relevant to understanding changes in the statement of financial position and financial performance for the reporting semi-annual period of the issuer with respect to the last business year: information is provided regarding these events and relevant information published in the last annual financial statement is updated (items 15 to 15C IAS 34 - Interim financial reporting)
- b) information on the access to the latest annual financial statements, for the purpose of understanding information published in the notes to financial statements drawn up for the semi-annual reporting period
- c) a statement explaining that the same accounting policies are applied while drawing up financial statements for the semi-annual reporting period as in the latest annual financial statements or, in the case where the accounting policies have changed, a description of the nature and effect of the changes (item 16.A (a) IAS 34 - Interim financial reporting)
- d) a description of the financial performance in the case of the issuer whose business is seasonal (items 37 and 38 IAS 34 - Interim financial reporting)
- e) other comments prescribed by IAS 34 - Interim financial reporting
- f) in the notes to quarterly periods financial statements, in addition to the information stated above, information in respect of the following matters shall be disclosed:
  1. undertaking's name, registered office (address), legal form, country of establishment, entity's registration number and, if applicable, the indication whether the undertaking is undergoing liquidation, bankruptcy proceedings, shortened termination proceedings or extraordinary administration
  2. adopted accounting policies (only an indication of whether there has been a change from the previous period)
  3. the total amount of any financial commitments, guarantees or contingencies that are not included in the balance sheet, and an indication of the nature and form of any valuable security which has been provided; any commitments concerning pensions of the undertaking within the group or company linked by virtue of participating interest shall be disclosed separately
  4. the amount and nature of individual items of income or expenditure which are of exceptional size or incidence
  5. amounts owed by the undertaking and falling due after more than five years, as well as the total debts of the undertaking covered by valuable security furnished by the undertaking, specifying the type and form of security
  6. average number of employees during the financial year
  7. where, in accordance with the regulations, the undertaking capitalised on the cost of salaries in part or in full, information on the amount of the total cost of employees during the year broken down into the amount directly debiting the costs of the period and the amount capitalised on the value of the assets during the period, showing separately the total amount of net salaries and the amount of taxes, contributions from salaries and contributions on salaries
  8. where a provision for deferred tax is recognised in the balance sheet, the deferred tax balances at the end of the financial year, and the movement in those balances during the financial year
  9. the name and registered office of each of the undertakings in which the undertaking, either itself or through a person acting in their own name but on the undertaking's behalf, holds a participating interest, showing the proportion of the capital held, the amount of capital and reserves, and the profit or loss for the latest financial year of the undertaking concerned for which financial statements have been adopted; the information concerning capital and reserves and the profit or loss may be omitted where the undertaking concerned does not publish its balance sheet and is not controlled by another undertaking
  10. the number and the nominal value or, in the absence of a nominal value, the accounting par value of the shares subscribed during the financial year within the limits of the authorised capital
  11. the existence of any participation certificates, convertible debentures, warrants, options or similar securities or rights, with an indication of their number and the rights they confer
  12. the name, registered office and legal form of each of the undertakings of which the undertaking is a member having unlimited liability
  13. the name and registered office of the undertaking which draws up the consolidated financial statements of the largest group of undertakings of which the undertaking forms part as a controlled group member
  14. the name and registered office of the undertaking which draws up the consolidated financial statements of the smallest group of undertakings of which the undertaking forms part as a controlled group member and which is also included in the group of undertakings referred to in point 13
  15. the place where copies of the consolidated financial statements referred to in points 13 and 14 may be obtained, provided that they are available
  16. the nature and business purpose of the undertaking's arrangements that are not included in the balance sheet and the financial impact on the undertaking of those arrangements, provided that the risks or benefits arising from such arrangements are material and in so far as the disclosure of such risks or benefits is necessary for the purposes of assessing the financial position of the undertaking
  17. the nature and the financial effect of material events arising after the balance sheet date which are not reflected in the profit and loss account or balance sheet
