New deals for the European market

AD Plastik Group has sealed a deal with a new customer for the European market, with expected revenue of **EUR 126.8 million** over the projected ten-year duration of the project.

The customer is one of the new manufacturers in the European automotive market that will produce luxury electric cars on the most technologically advanced battery platform.

Due to a confidentiality clause, we are unable to provide further details about this contract. However, the deal aligns with the company's strategy of expanding its customer portfolio and strengthening its presence in the European market.
