## New deals for Suzuki worth EUR 24 million

AD Plastik Group has sealed new deals for Suzuki in Hungary worth **EUR 24 million**. AD Plastik Group will deliver various exterior and interior components from even three of its factories for the redesigned S-Cross model. Apart from the Hungarian factory, which has been cooperating with this customer for many years, for the first time the components will be delivered also from the factories in Solin and Zagreb. For the first time, AD Plastik Group has become also a development partner for this customer and a supplier in painting technology.

The project is expected to last almost seven years, and the start of serial production is planned for the end of 2021.
