Dalekovod's offer selected in Sweden

Svenska kraftnät, the Swedish national electricity transmission company, after the evaluation process, sent a notice that Dalekovod d.d. was selected as the most favorable bidder according to the tender criteria for the construction of a new 400 kV transmission line on the Skogssäter - Kilanda section in the vicinity of Gothenburg, with a total length of 43 km.

The realization of the project, worth more than 40 million euros, includes dismantling the existing and building a new 400 kV line, and it is planned from May 2024 to the beginning of 2027.
