Subject: Dalekovod – Projekt Signs Four New Contracts in Sweden

Dalekovod, JSC hereby informs the investment community that Svenska kraftnät, the Swedish electricity transmission system operator, has selected the bids submitted by Dalekovod - Projekt d.o.o. following an evaluation process, and contracts have been signed for the preparation of project documentation for four 400 kV transmission line projects. The projects will be carried out within a consortium of Dalekovod – Projekt/Tyrens, with Dalekovod - Projekt acting as the lead partner.

The total value of the four contracts, for the 400 kV Stora Luleälven, 400 kV Hall–Hedenlunda, 400 kV Njutånger–Mehedeby and 400 kV Skåne Syd projects, amounts to EUR 29.41 million. The scope of work includes the preparation of feasibility studies, conceptual and detailed designs, technical support during construction, and the preparation of final (as-built) documentation. The completion of the project documentation and the overall projects is planned in the period from 2027 to 2038.

Dalekovod-Projekt d.o.o. will continue to strengthen its presence in the Scandinavian market and its long-standing cooperation with the investor Svenska kraftnät in the development of electricity transmission infrastructure.
