### Decision on compatibility of concentration issued by Croatian Competition Agency

Dalekovod d.d. hereby announces that on 28 September 2021, the decision of the Market Competition Council was published on the website of the Croatian Competition Agency.

The Council assessed the notification of an intended concentration resulting from indirect control on a lasting basis being jointly acquired by the undertaking Končar – Ulaganja d.o.o., and the undertaking Construction Line Limited, via its newly founded undertaking Napredna energetska rješenja d.o.o., over the undertaking Dalekovod d.d., and decided that it was reasonable to conclude that the relevant concentration is not prohibited within the meaning of Article 16 of the Competition Act.

Consequently, the notified concentration is, in accordance with Article 22, paragraph 1 of the Competition Act, considered permissible at level 1.
