### **Dalekovod was awarded a contract in Germany worth more than 30 million Euros**

Company Tennet, the German transmission system operator, has awarded Dalekovod JSC a contract for the Landesbergen – Borken project, which involves the comprehensive renovation of the 380/220/110-kV transmission line, divided into several phases. Dalekovod has been assigned part D of the project, which covers the section from the Berghausen substation to the Borken substation, spanning 30 km.

The contract is valued at over 30 million euros, with construction set to begin in March 2025 and completion expected by the end of 2026.

This contract marks a significant step forward for Dalekovod in the German market and further strengthens the company's position as one of the key players in the modernization and development of Europe's power infrastructure.
