### **Subject: Dalekovod Signs 19.7 Million Euros Contract in North Macedonia**

Dalekovod Jsc, as the lead member of a consortium consisting of Dalekovod Jsc, ELNOS BL Llc Banja Luka, and Kodar Energomontaža Llc, has signed a contract worth 19.7 million euros with Jsc MEPSO, the state-owned electricity transmission company of North Macedonia.

The contracted project includes the delivery and construction of a 400 kV transmission line from the 400/110 kV Bitola 2 substation, via the 400/110 kV Ohrid substation, to the border between North Macedonia and Albania. The new Ohrid substation is currently under construction, with KONČAR Inc. as the contractor.

This is an important infrastructure project that will ensure the long-term stability of the power system across the wider region. The planned completion date is mid-2028.

With this contract, Dalekovod Jsc, operating within the KONČAR Group, further strengthens its position in the regional and European markets as one of the key companies in the modernisation and construction of highly complex power infrastructure facilities.
