Gordana Kovačević, the president of Ericsson Nikola Tesla won another term in the office

Gordana Kovačević, president of Ericsson Nikola Tesla, was entrusted by the Supervisory Board for another term of office starting 1 January 2025.

Ms. Kovačević has dedicated her entire career, from young engineer to top leader, to Ericsson Nikola Tesla, and has been at the head of the company since 1 January 2005.

In the field of telecommunications, digital transformation, development research and through the activities of centers for ICT services, Ericsson Nikola Tesla is a regional supplier of communication products and related services, innovative ICT solutions and a leader in the software export segment. Of the nearly 3,000 employees, 96 percent are highly educated specialists.

This November, the company celebrates 75 years of successful business, and on that occasion, it will present the new company trademark. The refreshed visual identity will contribute to additional positioning within the global corporation and strengthen ENT's step forward into the market of advanced ICT solutions for the digital transformation of industries and public services, in line with the growth strategy in the coming period.

Communications Ericsson Nikola Tesla

Ericsson Nikola Tesla is an associated company of the Ericsson Group which leads and supports modern communications. The company's activities include research and development, design of the total communications solution, marketing and sales, services in the multi-service and mobile networks area including the mobile Internet and complex system integration in all business areas. The company provides innovative ICT solutions that constantly improve people's life and create new value. Shares of Ericsson Nikola Tesla are traded in the Regular Market of the Zagreb Stock Exchange under the stock exchange symbol ERNT-R-A.
