# ENT's new contracts worth more than EUR 22 million

Zagreb, February 19, 2026

Ericsson Nikola Tesla signed contracts in the field of national and public security and telecommunications worth more than EUR 22 million.

ENT signed agreements with the Ministry of the Interior of the Republic of Croatia for the surveillance of the EU's external borders. On the export market, ENT signed a contract with HT Mostar to provide support for the maintenance of Ericsson solutions in fixed and mobile networks, the implementation of which will enable simpler and more agile management and maintenance of network systems.
