ENT's new contracts worth more than EUR 18 million

Zagreb, May 27, 2025

Ericsson Nikola Tesla signed new contracts in the field of digital transformation and business communications systems worth more than EUR 18 million.

The Bidding Consortium consisting of Ericsson Nikola Tesla, KING ICT and Eviden signed a contract with the Croatian Pension Insurance Institute (HZMO) related to the building and implementation of an IT system to support basic processes (eHZMO). This project includes the analysis, development and implementation of a system to support the basic business processes of the Croatian Pension Insurance Institute. The aim of the project is to increase the level of quality of services for users and improve work efficiency by modernizing the IT system and basic business processes.

When it comes to national and public safety, the Bidding Consortium including Ericsson Nikola Tesla, KING ICT and DAT-CON signed contracts with the Ministry of the Interior of the Republic of Croatia related to the maintenance of stationary and mobile systems for monitoring the external EU border, and with the Ministry of the Interior of Montenegro, the Bidding Consortium consisting of Ericsson Nikola Tesla and Alatel contracted the upgrade and modernization of the 112 system.
