# Ericsson Nikola Tesla has signed new contracts worth almost EUR 8 million

Ericsson Nikola Tesla has signed several new contracts worth almost EUR 8 million (excluding VAT). The contracts are related to the digital transformation of society and communication networks modernization.

With the Ministry of the Interior of the Republic of Croatia, the delivery of new mobile systems for green border monitoring during 2024 was contracted, which will additionally increase the technical capacities for green border monitoring. We have continued the cooperation with Hrvatske ceste on the establishment of the National access point. With the Ministry of Culture and Media, a new contract was signed related to the digitalization of cultural heritage (eCulture). The cooperation with the Ministry of Justice and Public Administration and State Geodetic Administration related to the Joint Information System of Land Registry and Cadaster continues.

With the Central State Office for the Development of the Digital Society, we have contracted the delivery of the Once Only Technical System (OOTS) platform for the exchange of services at the level of the European Union. Contracts were also signed related to the digitalization of public administration.

The activities related to the modernization of communication networks in the neighboring markets were also contracted.
