

Notice on the Increase of Share Capital

"GLUCODENT d.o.o., as the bond issuer on the Progress Market, in accordance with Article 19 of the Progress Market Rules, hereby notifies that on May 9, 2025, an increase in the Company's share capital was registered in the court register of the Commercial Court in Zagreb — from the amount of EUR 7,590.00, by an amount of EUR 410.00, to a total of EUR 8,000.00, through the issuance of new business shares in the Company, fully paid in cash."

Glucodent Ltd. presents an advanced research and development project focused on creating a specialized product for oral pathology aimed at individuals with diabetes. Our mission is to improve the oral health and well-being of diabetics through an innovative and scientifically proven product.

The project relies on the expertise of leading scientific institutions and our distinguished team of scientists. Additionally, we collaborate with experts in key areas such as intellectual property (IP), legal affairs, regulatory compliance, and strategic consulting. This comprehensive approach ensures that we meet the highest quality standards while providing an effective product.
