Subject: Statement of the Management Board on the responsibility for preparing financial reports for the Group Institut IGH, JSC

The Company's Management Board has to ensure that the Group's unaudited consolidated financial reports for the accounting period from January to September 2021 are prepared in accordance with the Accountancy Law (Official Gazette 78/15, 133/15, 120/16) and International Financial Reporting Standards as adopted by the European Union, so that these documents provide a true and unbiased picture of the Group's financial standing, business results, change in capital, and cash flow for the period under consideration.

After making due enquiries, the Management Board has a reasonable expectation that the Group has adequate resources to continue operation in the foreseeable future. Accordingly, the Group has prepared its financial reports under assumption that the Group will continue operating for an unlimited period of time.

During preparation of financial reports, the Management Board is responsible:

- for giving reasonable and sensible assessments and estimates;
- for applying valid financial reporting standards and for making public and explaining every materially significant discrepancy discovered in financial reports;
- for preparing financial reports under assumption of an unlimited period of operation, except in cases when such assumption is inappropriate.

The Management Board is responsible for keeping proper accountancy records that will depict, to an acceptable level of accuracy, the financial standing and business results of the Group, in full compliance with the Accountancy Law and International Financial Reporting Standards issued by the International Accounting Standards Board (IASB). The Management Board is also responsible for protecting and safeguarding the Group's assets, and hence for undertaking every measure it deems necessary to prevent and discover cases of fraud and other illegal activity.
