Subject: INA-Industrija nafte, d.d. signs EUR 500 million revolving credit facility agreement

INA, d.d. ("INA") today signed a EUR 500 million multicurrency revolving credit facility agreement. The facility has a five-year tenor with two one-year extension options.

The total available commitment under the revolving credit facility agreement originally concluded by INA on 19 October 2022 in the amount of EUR 300 million, subsequently increased to EUR 350 million, will be cancelled.

The transaction was arranged as a club deal involving 12 domestic and international banks, with Erste Group Bank AG and ERSTE&STEIERMÄRKISCHE BANK d.d., together with PRIVREDNA BANKA ZAGREB d.d., acting as Coordinators. ING Bank N.V. will act as Facility Agent.

The successful completion of the transaction on competitive terms demonstrates INA's strong access to diversified sources of financing and the continued support of domestic and international banking partners.
