NOTES TO THE FINANCIAL STATEMENTS - TFI

Name of issuer: Končar – Electrical Industry Inc. PIN: 45050126417 Reporting period: 1 January 2021 to 30 June 2021

1 General information about the company

Končar – Electrical Industry Inc. (PIN: 45050126417) Zagreb, Fallerovo šetalište 22 (the Company) is the Parent Company of the Končar – Electrical Industry Group. As the parent company, the Company also prepares consolidated reports, which are presented separately. These unconsolidated financial statements of the Company are financial statements of the company as a separate entity. The Company manages its wholly-owned dependent and affiliated companies."

The average number of employees in Q2 2021 was 51 (Q2 2020: 51 employees).

2 Significant accounting policies

These financial statements for the six months ended 30 June 2021 should be read in conjunction with the Company's last annual financial statements as at and for the year ended 31 December 2020 ('last annual financial statements'), because they do not include all of the information required for a complete set of financial statements prepared in accordance with IFRS Standards. However, selected explanatory notes are included to explain events and transactions that are significant to an understanding of the changes in the Company's financial position and performance since the last annual financial statements. Annual standalone and consolidated financial statements have been published on the Company's website.

In preparing these financial statements, management has made judgements and estimates that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. The resulting accounting estimates will, by definition, seldom equal the related actual results. Key accounting estimates were the same as those described in the last annual financial statements. The accounting policies applied in these financial statements are the same as those applied in the Company's financial statements as at and for the year ended 31 December 2020.

Seasonal effects

The Company is not exposed to significant seasonal or cyclical changes in its business operations.

4 Other income and operating expenses

During Q2 2021, there were no items of income or operating expenses of exceptional size or incidence that would consequently require additional disclosure.

5 Income tax

Income tax expense is recognised at an amount determined by multiplying the profit before tax for the reporting period by the management's best estimate of the average annual income tax rate expected for the full financial year. Income tax expense is adjusted for the tax effect of certain items recognised in full in the reporting period. Considering the tax loss carryforwards, the Company does not recognise income tax expense.
