NOTICE ON THE CONCLUSION OF THE TRANSACTION CONCERNING THE MERGER WITH INTEGRATOR HOLDING D.O.O., BELGRADE AND ASSOCIATED COMPANIES

Following the contract award notice on the contract concluded between the Issuer's subsidiary company, Meritus ulaganja d.d. (hereinafter referred to as the "Company" or "Mplus") regarding the acquisition of shares in the company Integrator Holding d.o.o., Belgrade as of 20 December 2022, whereby the implementation of the contract could be initiated upon approval of the competent authorities of the Republic of Serbia, we hereby announce that in the meantime all conditions provided for in the above-mentioned contract have been fulfilled and the transaction has been completed.

With the closing of the transaction, Mplus merges with a number of companies in six Southeast European countries, most of them licensed by the American Manpower Group, which provide integrated human resources management, selection and recruitment services. Around the mentioned companies, which are united in Integrator Holding d.o.o., Belgrade, a new business vertical of Mplus will be formed with the intention to offer first class HR services. A new technology group for human resources management will be formed under the name Workplace, aiming for regional dominance.

The president of the Management Board of Mplus Darko Horvat states, "The launch of Workplace marks a new phase in Mplus' business, in which we will devote additional attention to the field of human resources and the implementation of innovative intelligent solutions in this area. By partnering with a leading regional HR group, we are building a path to establish a leading HR brand in a framework that extends beyond our region. By intelligently optimising and digitally transforming business processes in the markets of Central and Southeast Europe, we will offer a complete and integrated HR solution for the most demanding users. In this way, we are creating a solid foundation for a new regional leader in the world of HR, whose business will be based primarily on the concepts of technological transition and digitalisation".

“We are very pleased to have been given the opportunity to work with a global player like Mplus. The synergy between us as a leading HR solutions company and Mplus as a leading BPTO provider will lead to a dynamic growth and development of a very successful HR and Talent Solutions company that will be able to meet the needs of employers from a large part of Europe. With this partnership, we gather the best experts and excellent practices from a wide range of fields, all with the aim of creating modern and sophisticated HR concepts,” **explains CEO of Integrator Holding Aleksandar Hangimana.**
