Notice pursuant to the Capital Market Act

Prolongation of partial shutdown of production

Pursuant to the Rules of the Zagreb Stock Exchange, Petrokemija Plc issues the following notice:

Due to issues on the auxiliary media systems encountered during the planned restart of Ammonia plant last week, the planned date of restart of the Ammonia and Urea plants has been moved.

Required works are ongoing and the new restart of the plants is expected as soon as all necessary technical conditions are met.

Product shipment takes place in coordination with the buyers and there are no major disruptions.
