Agreements for Natural Gas Supply

Pursuant to the provisions of the Capital Market Act and the Rules of the Zagreb Stock Exchange, the Company's Management Board hereby announces that, upon conducting a tendering procedure, it has signed new agreements for natural gas supply in the gas year 2021/2022 with INA-Industrija nafte d.d. and Prvo plinarsko društvo d.o.o., as the most advantageous suppliers pursuant to the tendering procedure.

By signing these agreements, Petrokemija has ensured sufficient volumes of natural gas to maintain stable production throughout the gas year 2021/2022.
