¹⁾ EBITDA (eng. earnings before interest, taxes, depreciation and amortization) is calculated according to the formula: operating income - operating expenses + depreciation

In the first nine months of 2020, the Company generated **HRK 161,170 million** (1-9M 2019: HRK 411,312 million) of **operating revenues**, which is a decrease of 60.8% compared to the same period last year. The Company generated **positive EBITDA in the amount of HRK 13,755 million** (1-9M 2019: HRK 132,206 million), which represents a higher loss of HRK 118,551 million compared to the same period last year. **The reason for the larger decrease at the EBITDA level** is due to the decline in revenues caused by the COVID-19 crisis, however, this decline and the impact on EBITDA was partially amortized due to **revenues from direct state aid for job preservation and indirect state aid in the form of tax and contribution write-offs** in the total amount of HRK 21.5 million. Excluding revenues from received state aid, the company generated about 34% of last year's revenues in the first 9 months.

The largest part of operating expenses is staff costs in the amount of HRK 75,087 million in the first nine months of 2020 and it is significantly lower than in the same period in 2019 due to a temporary salary reduction of 40% in the April – June period and lower employment of seasonal workers due to fewer overnight stays, while material costs amounted to HRK 53,599 million and were lower by 50.9% in the same period.

Financial expenses increased significantly **in the first 9 months of 2020** due to **foreign exchange losses** in the amount of HRK 8,970 million, which together with HRK 8,213 million of interest expenses, of which HRK 2.5 million relates to IFRS 16 interest and the rest to regular interest on the basis of credit indebtedness to banks, and 753 thousand other financial expenses gives a total financial expense of HRK 17,937 million, which is an increase of HRK 7,831 million compared to the first nine months of 2019 when total financial expenses amounted to HRK 10,106 million.

²⁾ Neto debt: long-term and short-term liabilities to banks and other financial institutions + liabilities for loans, deposits and similiar - cash in the bank - long-term and short-term securities investments - short-term loans, deposits, etc.

Nominal debt to financial institutions amounted to HRK 509 million as at 30 September 2020 which represents an increase of HRK 57 million compared to 31 December 2019 (HRK 452 million).

The net loss in the observed period amounted to **HRK 45,651 million**, while in the same period last year the net gain amounted to HRK 78,452 million.

Significant business events

The most significant business events of the company Sunce hoteli d.d. in the period after 31.12.2019. years to the date of publication of this report are:

- 1. COVID 19 impact on the Company's operations on March 16, 2020, the Company published on the Zagreb Stock Exchange information on the impact of the COVID-19 epidemic on the Company's operations, and updated the information in the announcement of business results for the first nine months of 2020 as well as the 2019 annual report. The impact of the COVID-19 crisis on the company's operations can be divided into the following main segments:
 - a. Employee safety work from home was organized for all employees from mid-March 2020 to 18 May 2020, after which return to office work has been organized under strict safety conditions such as wearing protective masks in common areas, keeping distance between employees in the same office, increased disinfection of the work area, etc. The company approaches flexibly according to the way of work, and measures are taken to protect the safety of employees. The Management Board of the company will monitor the epidemiological situation in the Republic of Croatia and, if necessary, make decisions on working from home for part or all employees of the company Sunce hoteli d.d.
 - b. Employee salaries in the period from 1 April to 30 June 2020, the gross salary of all employees, including the Management Board, was reduced by 40%. However, after economic activity intensified, hotels began to open and the inflow of guest reservations was initiated, the Management Board issued a Decision by which in the period from 1 July to 30 September 2020 all employees with a gross salary of more than 10 thousand kuna Gross I reduction salaries from the previous 40% adjusted to a reduction of 20%, ie 80% of gross salary was paid, and at the same time Gross I salary could not be lower than 10 thousand kuna, as a result of which all employees with a salary lower than 10 thousand kuna were provided full contracted salary. Due to the extremely short business activity this year and reduced income in relation to costs, and with the aim of preserving all jobs, the Management Board made a new decision to reduce salaries in the period from 1st October 2020 by which the new contracted salary is paid for all employees of the Company in the amount of 80% of gross salary, and not less than 4,000 kuna net. The said decision is in force until 31st of December 2020 when the Management Board will revise the financial flow again and make a new decision in relation to the salary policy in these times of crisis.
 - c. **Hotels opening** due to the COVID-19 crisis, the company partially opened its accommodation facilities, and on June 10, 2020, one facility was opened in each of the destinations: i) Bluesun Hotel Berulia in Brela, ii) Bluesun Hotel Alga in Tučepi, iii) Bluesun Resort Velaris in Supetar, iv) Bluesun Hotel Elaphusa in Bol, and c) Bluesun Camp Paklenica in Starigrad Paklenica. At the beginning of July, the

following facilities were additionally opened: i) Bluesun Hotel Soline in Brela, ii) Bluesun Hotel Neptun in Tučepi, iii) Bluesun Hotel Alan in Starigrad Paklenica, *iv*) Bluesun Hotel Bonaca in Bol. At the end, in August the Bluesun Hotel Marina in Brela was opened.

- d. **Booking status** Given the specific crisis, the direct channel and OTA sales channel were the dominant sales channels, and the Company made targeted investments in online marketing. Most of the reservations through the two mentioned channels were on the "free cancellation" principle, ie. no advances paid by guests. Such fees can be cancelled without paying a fee to the Company, which was the only way sales functioned during the summer 2020 season. The allotment sales channel has been under special pressure this season due to the disruption of commercial lines. Despite the challenging business environment, the Company generated in August 56.2% of last year's revenues from August, while the realization in facilities that were open in August was up to 80%. Unfortunately, with the worsening epidemiological situation in the country, and being put on the red list by our trading partners, the performance in September fell to only 16.2%, which had significant negative repercussions on the business result of the first 9 months.
- e. Moratorium on financial liabilities In relation to financial liabilities due in 2020, on July 27, 2020, the Company was granted a moratorium by the Bank syndicate on loan instalments due on 30 April 2020 (HRK 16.5 million) and 31 October 2020 (HRK 38.4 million). Given that the moratorium has a maturity of 12 months, this means that the first instalment of the loan is due on 30.04.2021. years together with principal and interest. The loan will continue to be repaid regularly from April 30, 2021, when interest is due for the period from November 1, 2019 to April 30, 2021. Outstanding instalments in 2020 are moved to the end of the repayment period on April 30, 2028, when they fall due once. The loan instalments from 2020 for which a moratorium has been requested are transferred in full upon the expiration of the loan agreement on April 30, 2028 (bullet repayment).
- f. Additional liquidity In addition to the aforementioned deferral of payment of financial obligations until April 30, 2021, the Company has also taken measures and directed communication to potential creditors to provide additional liquidity that will be required after October 31, 2020. The level of required additional liquidity is lower than the initial calculations before the summer season showed due to the fact that we had a better inflow during the main season than expected and the measures of the Government of the Republic of Croatia are still in force.
- g. Aid for job preservation the company used the measures of the Government of the Republic of Croatia related to aid for job preservation for the months of March, April, May and June. A detailed explanation of grants and savings has already been presented and published in the announcement of results for the first 6 months of 2020, as well as in announcements on the Zagreb Stock Exchange. We hereby only inform:
 - i. that the company has applied for aid for the preservation of jobs in the activities affected by Coronavirus for the months of July and August, which are still in the process of being resolved by official body. Since the Company meets all the conditions for the measure of preserving jobs, this report shows income for these two months, while funds have not yet been

received by the date of publication of this report. Incentives are expected to be received through the fourth quarter of 2020 for the months of July and August. In accordance with the published measure for the preservation of jobs for the months of September to December 2020, the Company expects to use the support for the months of October, November and December 2020, as it meets all the conditions for use. Support for September 2020 was not requested as the company had a revenue decline of less than 60% in August 2020.

- ii. In addition to receiving the minimum compensation under the measure for the preservation of jobs for the months of March, April and May, the company received a decision accepting a write-off of 95% for the same months on the following salary benefits: (i) I. pillar pension insurance, (ii) taxes and surcharges, (iii) health insurance contributions.
- h. Capital investments The Company did not have capital investments for the 2020 season, however all investments in the preparation of future investments were suspended until a revised capital investment plan is made depending on the development of the situation caused by the COVID-19 crisis. Following the above, the investment in the preparation of project-technical documentation for the development of Brač Airport is currently suspended.
- 2. Changes in the Management of Sunce hoteli d.d. On 13 July, 2020, announced changes related to the Management Board of the Company. At the Supervisory Board of the Company, Tonči Boras resigned for personal reasons and announced his resignation from the position of President of the Management Board. The Supervisory Board appointed Hrvoje Veselko, Šestinska cesta 52, Zagreb, OIB: 28020764233, to the position of President of the Management Board for a term of 5 years. Hrvoje Veselko is coming to the position of President of the Management Board with many years of experience at project and managerial functions, mostly related to Sales and Marketing in various sectors. Hrvoje Veselko took over the position of President of the Management Board on August 1, 2020.
- 3. Confirmation of investment support beneficiary the company received the confirmation of investment support under the Investment Promotion Act for investments related to Bluesun Hotel Berulia (2017), Bluesun Hotel Alga (2018 and 2019), Bluesun Hotel Soline (2019). The total approved amount of eligible costs is HRK 129 million, of which the aid intensity is 25% or HRK 32.3 million. The support can be used until 2027.

Pursuant to the Capital Market Act (OG 88/08, 146/08, 74/09, 54/13, 159/13, 18/15, 110/15), we make the following statement to the best of our knowledge:

Statement by the persons responsible for the preparation of the report

A shortened set of quarterly financial statements of the issuer, prepared using the applicable financial reporting standards, provide a complete and fair view of the assets and liabilities, losses and gains, financial position and operations of the issuer and the companies included in the consolidation as a whole.

The interim business report contains a true presentation of the development and results of the business and the position of the issuer and the company included in the consolidation, with a description of the most significant risks and uncertainties that the issuer and the company are exposed as a whole.

President of the Board
