Response on inquiry by Zagreb Stock Exchange

As a response to your inquiry about the existence of the inside information regarding the increased volatility in ADPL share trading, we hereby submit a response.

We inform the investment public that Ford and Volkswagen customers have stopped production until further notice due to the situation caused by the COVID-19 virus spread.

AD Plastik Group adapts its production capacities in Croatia, Hungary and Serbia in accordance with the new situation and requirements of its customers.

The AD Plastik Group factories in Russia have been operating uninterruptedly and according to the business plan so far.
