

New Management Board of Atlantic Grupa named

Zagreb, January 9th, 2012 – Due to the new organization of Atlantic Grupa's business, which as of January 2012 entails the division into 11 strategic business areas instead of the previous divisional organization, a new four-member Management Board of the company has been named.

As of January 1st, the new Management Board of the company includes the President of the Board Emil Tedeschi, and the Members of the Board, Mladen Veber, responsible for Business Operations, Neven Vranković, responsible for Corporate Affairs and Zoran Stanković responsible for Finances and Business Development.

Along with the Management Board, a key role in managing and developing the business is played by the Strategic Management Council, which gathers 15 members responsible for the areas of business in the new organization (Kava, Snack, Deli Spreads, Beverages, Pharma and Personal Care, Sports and Functional Food, 4 business areas in Distribution) and corporate functions. The members of the former Atlantic Grupa Management Board in its wider constitution took over managing and strategic functions within the framework of this important executive body.
