Contract with BKK NETT AS Signed in Norway

In keeping with the announcements and the statement of 23 June 2017, Dalekovod d.d. and the company BKK NETT AS, one of the leading Norwegian electricity distributors, have signed the construction contract for the Modalen – Mongstad 420 kV transmission line, a 57-kilometer-long section. After the evaluation process, the bid of the company Dalekovod d.d. was selected as the most advantageous according to the tender criteria and, with the signing of the contract worth over 35 million Euros, the project officially began.

The main activities of the BKK group from Bergen are the production, sales and transmission of electrical energy and the development of the fiber-optic network. The group manages 32 hydropower plants and with 1100 employees provides services to 190,000 buyers of electrical energy in Norway.
