Title: Zdravko Nikolić leaves Holcim to join Dalekovod

September 22nd, 2014 – Former Holcim Croatia's Director of Construction Aggregate and Concrete Products and COB of Holcim mineralni agregati d.o.o. Zdravko Nikolić will leave Holcim on October 1st to take the helm of Dalekovod proizvodnja d.o.o.

Zdravko Nikolić joined Holcim in April 2012 as its Director of Construction Aggregate and Concrete Products and, as a dedicated and motivated professional with extensive knowledge, built a very successful team. In two and a half years he achieved exceptional results and expanded into new segments that will create new opportunities for Holcim in the upcoming period. Operations Manager of Holcim's Očura Quarry Mario Zečić was named Interim Director of Construction Aggregate and Concrete Products.

Dalekovod Proizvodnja d.o.o. is part of the Dalekovod Group specializing in the manufacture of metal structures and forgings and jointing and suspension equipment for road, railway and telecommunications infrastructure. Zdravko Nikolić has a broad experience in various industries and as the new chairman he will primarily focus on operational restructuring and finding new opportunities to improve company-wide financial performance and achieve growth.

Yours sincerely

Holcim & Dalekovod
