Dalekovod Signs Announced Contract in Finland

Helsinki, August 17, 2015 – Paško Vela, President of Dalekovod's Management Board, and Jukka Ruusunen, President of the Management Board of Fingrid, the leading Finnish electric power transmission and distribution company, signed today in Helsinki a valuable contract for the construction of the 400 + 110 kV Lieto – Forssa power line in the total length of 67 kilometers at the south of Finland.

This contract valued at almost EUR 20 million is extremely important for Dalekovod since it represents the long-awaited entry into the Finnish market, where new tenders and new contracts are expected in the upcoming period.
