Dalekovod to sign new major contract in Norway

Norwegian Statnett, a renowned transmission system operator, announced that it plans to award to Dalekovod j.s.c. contract for the construction of 420 kV transmission line Line Sauda – Lyse. After the evaluation process, the tender from Dalekovod was evaluated as the most economically advantageous and it has been selected as the best according to the evaluation criteria.

The value of the tender is more than € 50 million, and the contract shall be signed following the confirmation of Statnett final investment decision.
