Subject: Lease of the Sky Office East Tower

Dalekovod Ulaganja d.o.o. (subsidiary of Dalekovod d.d.) and Hrvatski telekom d.d. have signed a long-term lease of the east tower of the Sky Office building, where the headquarters of the leading telecommunications company in Croatia will be located.

Sky Office is one of the most attractive office buildings in Zagreb and considered one of the exclusive office spaces of the highest quality. It was recently awarded the CEMEX Building Award which recognizes the best in architecture and construction.

Both partners will benefit from their cooperation and the lease of the building to HT. For Dalekovod d.d. this is indeed a great success, since it involves a long-term cooperation with a reliable partner.
