Heading: **€110 Mil Contract Officially Signed in Poland**

**Zagreb, March 25, 2014** – At the PSE S.A. Warsaw headquarters the representatives of the consortium of DALEKOVOD Polska S.A. and the Krakow-based company ZUE S.A, the consortium leader, yesterday signed a contract for the construction of a double circuit 400 kV Kozenice-Oltarzew transmission line with the state-owned Polish Transmission System Operator PSE S.A. as the contract owner.

The turnkey project was awarded to the consortium of the Polish company ZUE S.A. and the Dalekovod subsidiary DALEKOVOD Polska S.A., and involves the construction of a 132 km long transmission line connecting the Kozenice Thermal Energy Plant, one of the biggest plants in Poland, and the Warsaw region.

This contract is worth over €110 million, with works commencing on the signing date and completion scheduled in the middle of 2019.
