Dalekovod receives letter of intent from Statnett

Zagreb, April 27th 2015 – Dalekovod jsc received a letter of intent from Norwegian Statnett, a renowned transmission system operator, which approves preliminary start of work on project for the construction of 420kV transmission lines Tonstad - Ertsmyra - Kvinesdal and 525 kV transmission Ertsmyra - Vollesfjord and decommission of existing 300 kV transmission line Fedra - Tonstad I.

The final investment decision will be reached by Statnett's Board of Directors by the end of May 2015.

Dalekovod d.d.
