CONTRACT WITH BH TELECOM WORTH HRK 15 MILLION

Today in Sarajevo MSc. Nedžad Rešidbegović, General Director of BH Telecom and Jagoda Barać, Marketing and Sales Director of the Neighbouring Countries Unit in Ericsson Nikola Tesla signed the contract for modernization of BH Telecom mobile network, the biggest telecommunications operator in Bosnia and Herzegovina.

The implementation will start immediately, and it is expected that all activities related to the execution of this contract will be completed by the end of 2011. This contract will provide faster and simpler administration of BH Telecom mobile subscribers as well as increased quality of services in BH Telecom mobile network. The contract price is HRK 15 million.

"Today's signing of this contract with Ericsson Nikola Tesla d.d. is actually the continuation of modernization of BH Telecom mobile network in order to provide our subscribers with improved quality of services, which is consistent with our goal to keep the pace with the world trends in telecommunications", said MSc. Nedžad Rešidbegović, General Director of BH Telecom.

"I'm glad that BH Telecom has chosen Ericsson Nikola Tesla as a partner for the modernization of BH Mobile core network, which will make it possible for BH Telecom to increase quality of services and facilitate faster administration of its mobile subscribers", commented Jagoda on a new contract.
