

ERICSSON NIKOLA TESLA SIGNED A NEW CONTRACT WITH IPKO

Ericsson Nikola Tesla signed a contract with the Kosovo operator Ipko, amounting to MHRK 20. It is about the contract covering the use of the latest software versions in Ericsson network elements, implemented into Ipko network, for the next two and a half year period. For Ipko this contract means a guarantee in using the advanced functionalities in its network.

In her comment on the Contract, MSc Gordana Kovačević, the president of Ericsson Nikola Tesla said: "This new contract enables Ipko to offer its users advanced mobile services. Strategically, this contract is important since it confirms our good relations with the Kosovo operator, and paves the way to further upgrades in Ipko network by implementation of the state-of-the-art Ericsson technology.

IPKO Telecommunications LLC is recognized as one of the fastest growing telecommunications companies in Europe. Established in 1999, IPKO has grown from being the first Kosova-wide Internet provider to becoming a modern enterprise offering full range of integrated services as well as content, in mobile communications, fixed telephony, digital cable television, Internet services as well as media.
