
ERICSSON NIKOLA TESLA AND HT MOSTAR SIGN NEW CONTRACT

Ericsson Nikola Tesla and HT Mostar contracted the expansion and modernization of radio access network for this operator from Bosnia and Herzegovina. The contract amounts to MHRK 11, and the realization is to start immediately.

Vilim Primorac, president of Management Board and CEO at HT Mostar, said on the occasion: "I am glad that we continue good cooperation with our long-term partner Ericsson Nikola Tesla. The realization of this contract will enable us to provide a service of better quality to our end users and at the same time will make prerequisites for a faster and more efficient implementation of the LTE technology."

Gordana Kovačević, MSc, president of Ericsson Nikola Tesla, expressed her satisfaction with the fact that HT Mostar have once again shown their trust to Ericsson's solutions and chosen our company for further expansion and modernization of radio access network, and added: "I am confident that the competences and commitment of our experts to this project will ensure the realization of contracted activities with high quality in the shortest time possible."
