

ERICSSON NIKOLA TESLA SIGNED A NEW CONTRACT WITH BH TELECOM

Ericsson Nikola Tesla and BH Telecom made a new contract for upgrade and expansion of BH Telecom fixed network worth more than HRK 10 million. Ericsson Nikola Tesla's experts will immediately start the works, which are planned to be completed by the end of 2011.

"This new contract that we have made with Ericsson Nikola Tesla is a further continuation of modernization and build-up of BH Telecom fixed network based on the most advanced solutions of our business partner. Thus BH Telecom is providing its users with the attractive broadband services of high quality of service and high quality of experience", said Nedžad Rešidbegović, General Director of BH Telecom d.d. Sarajevo.

MSc. Gordana Kovačević, President of Ericsson Nikola Tesla, commented on a new contract: "We are continuing a good cooperation with our long-standing partner BH Telecom. This new contract provides solutions to meet modern telecommunications needs and continuity of network modernization of this network operator."
