
ERICSSON NIKOLA TESLA AND BH TELECOM SIGNED THE CONTRACT WORTH HRK 60 MILLION

Mrs. Gordana Kovačević, President of Ericsson Nikola Tesla d.d. and Mr. Nedžad Rešidbegović, General Director of BH Telecom, the largest telecom operator in Bosnia and Herzegovina, signed in Sarajevo on June 29 the contract for expansion of BH Telecom's 2G and 3G mobile networks. It is a turn-key contract worth HRK 60 million.

"Today's signing of the contract with the company Ericsson Nikola Tesla d.d. is the continuation of modernization of BH Telecom's mobile network, which will make it possible to offer our users a number of attractive functionalities in 2G and 3G networks and maintain their high level of quality", said Mr. Nedžad Rešidbegović, BH Telecom General Director.

Mrs. Kovačević commented on the new contract: "After the implementation of this contract BH Telecom will be ready for full migration to an all-IP network. This contract is contributing to a further expansion of mobile communications in Bosnia and Herzegovina and provides BH Telecom users base for new functionalities and services".

Ericsson is the world's leading provider of technology and services to telecom operators. Ericsson is the leader in 2G, 3G and 4G mobile technologies, and provides support for networks with over 2 billion subscribers and has the leading position in managed services. The company's portfolio comprises mobile and fixed network infrastructure, telecom services, software, broadband and multimedia solutions for operators, enterprises and the media industry. The Sony Ericsson and ST-Ericsson joint ventures provide consumers with feature-rich personal mobile devices.

Ericsson is advancing its vision of being the "prime driver in an all-communicating world" through innovation, technology, and sustainable business solutions. Working in 175 countries, more than 80,000 employees generated revenue of SEK 206.5 billion (USD 27.1 billion) in 2009. Founded in 1876 with the headquarters in Stockholm, Sweden, Ericsson is listed on OMX NASDAQ, Stockholm and NASDAQ New York.

Ericsson Nikola Tesla, as an integral part of the Ericsson Group, supports the modern ways of communicating. The company's activities include marketing and sales, research and development, design of the total communications solution, services in the multi-service and mobile networks area including the mobile Internet and complex system integration in all business areas. The company provides innovative ICT solutions that constantly improve people's life and create new value.
