Hrvatski Telekom

Hrvatski Telekom and HP-Hrvatska pošta d.d. concluded today the purchase transaction of Evo TV service

Hrvatski Telekom (Reuters: HT.ZA; Bloomberg: HTRA CZ), Croatia's leading telecommunications provider, announces that today it concluded with the company HP-Hrvatska pošta d.d. the purchase transaction of 100 percent stake in the company HP Produkcija d.o.o., provider of Evo TV service.

The structure of the purchase transaction of HP Produkcija d.o.o. includes the payment of the purchase price partly by cash payment and partly by transfer of certain HT's real estate, as well as by transfer of HT's 30.29 percent ownership stake in HP d.o.o. Mostar, Federation of Bosnia & Herzegovina, a company providing postal services, to HP-Hrvatska pošta d.d.

Closing of the transaction followed yesterday's HAKOM approval, which enabled HT to take over the company HP Produkcija d.o.o., provider of Evo TV service. HP Produkcija d.o.o. shall continue doing business as HT's subsidiary company, and it is HT's intention to further develop and improve Evo TV service.
