Nataša Rapaić appointed for another term of office in the Management Board of Hrvatski Telekom

Hrvatski Telekom (Reuters: HT.ZA; Bloomberg: HTRA CZ), Croatia's leading telecommunications provider, announces that the Supervisory Board at its today's session appointed Nataša Rapaić as Management Board member and Chief Operating Officer Residential (COO Residential) of HT d.d. for another 3-year term of office, commencing from 1 February 2016 when her current contract expires.

Nataša Rapaić joined HT in 2003. From 2003 to 2013, when she was appointed Management Board member for residential customers, she had been engaged in several senior managerial positions in the fixed telecommunications marketing and in the residential customers marketing.

In her role as Management Board member, Nataša Rapaić has significantly contributed to HT's maintaining its leading position on the market in those segments that are under particularly heavy competitor pressure, and, among her other achievements, she has ensured the growth of HT's mobile communications market share and a strong position on the IPTV market.

Davor Tomašković, President of the Management Board, said:
"It is my great pleasure to see Nataša's appointment for another term of office. She has achieved excellent results in the residential customers segment so far, especially in mobile communications, and I am convinced that, through joint collaboration, we will further boost HT's successful market positioning."
