Subject: contract signed

INAgip, a joint venture between INA and the Italian Eni, signed a contract for the construction of offshore gas platforms with the company Rosetti Marino in Italy, with significant part of the construction works to be performed by the Croatian subcontractor, Viktor Lenac.

The total contractual value is 30 million EUR, covering the construction of one platform in the next 20 months that will be installed in the existing gas field IKA SW (southwest) while construction of a second platform is optional depending on the results of further research by INAgip.
