Optima Telekom pays interest on corporate bonds

Zagreb, 1 February 2012 – **Optima Telekom has paid to the owners of the company's corporate bonds the interest of HRK 22.812.500 for 2011. The stated amount of interest has been paid on 27 January 2011 to the account of the Central Depository and Clearing Company which shall distribute the funds on the accounts of the owners.**

The interest on corporate bonds is paid on regular annual basis in accordance with the arrangement determined on the occasion of issuance of the bonds. Optima Telekom has placed corporate bonds at domestic financial market at the beginning of 2007 on which occasion HRK 250 million was collected. The collected funds have been used for credit refinancing.

*„Business results of Optima Telekom justified the trust if investors who have decided to invest in the future of the Company. Continuing growth of the Company is a result of permanent investment in quality of infrastructure and increase in market availability of our acceptable offer of telecom services. In 2012 we expect increase in positive business trends and 20% growth.“***said President of the Management Board in Optima Telekom, Mr.Matija Martić**

These ambitious set goals, Optima Telekom plans to endeavour by introducing new technologically advanced services as well as new investments in optic infrastructure. Availability on entire territory of Croatia will have positive effects on achievement of set goals along with simple, affordable and substantial packages for both residential and business customers.
