OT-Optima Telekom d.d. – notification on HAKOM Interim Order of July 3, 2014

OT-Optima Telekom d.d. (the "Company") notifies the public that it received the Interim Order rendered by the Croatian Regulatory Authority for Network Industries ("HAKOM"), class: UP/I-344-01/14-03/14 dated July 3, 2014, designating the Company as a carrier possessing significant market strength and imposing the following obligations:

- 1) regulatory obligation to supervise retail prices of services under the same terms as the said regulatory obligation has been imposed on Iskon Internet d.d. in the market of public communications network access at a fixed location, for both private and corporate users.
- 2) regulatory obligation to prohibit any prevention of entering the market or limiting competition by setting prices of services too low, prohibition of giving an unfair advantage to certain end users and the prohibition of providing unfair packages of certain types of services in the broadband Internet access retail market under the same terms as the said regulatory obligations have been imposed on Iskon Internet d.d.

The regulatory obligations shall remain in force until the completion of the market analysis in the relevant market of of public communications network access at a fixed location, for both private and corporate users (1), i.e. until the completion of market analysis in the broadband Internet access retail market.

The above mentioned Interim Order is available in full text on HAKOM's website www.hakom.hr
