Notice pursuant to the Capital Market Act

### **Production Resumed**

In accordance with the Capital Market Act and the Rules of the Zagreb Stock Exchange, Petrokemija, Plc. announces as follows:

As we have informed the public, due to technical and technological problems and a failure at the ammonia production plant, the Urea and Ammonia Plants were temporarily shut down on 2 June 2016.

The breakdown has been successfully repaired: Ammonia Plant is in operation since 6 June 2016 and Urea Plant since 7 June 2016.

The repair of the breakdown was carried out extremely quickly and all plants continue with operation until the end of June 2016 when the planned overhaul of all mineral fertilizer production plants starts.
