Notice pursuant to the Capital Market Act

Production temporarily suspended

In accordance with the Capital Market Act and the Rules of the Zagreb Stock Exchange, Petrokemija, Plc. announces as follows:

Due to technical and technological problems and a failure at the ammonia production plant, the Urea and Ammonia Plants were temporarily shut down yesterday. Other plants are operating in accordance with the plans.

The repair of the breakdown is underway and the estimated time of production suspension is up to a week. The Company will announce the restart of the production plants.

The temporary shutdown of the Ammonia and Urea Plants will not affect the end consumers in their agricultural activities as Petrokemija has ensured sufficient supplies of mineral fertilizers to supply domestic and regional markets with all types of fertilizers until the production of ammonia is resumed.
