Environmental Permit

Pursuant to the Capital Market Act and the Rules of the Zagreb Stock Exchange, the Management Board of Petrokemija d.d. gives the following notice:

On 20 April 2020 the Ministry of Environment and Energy issued to Petrokemija d.d. the Decision on Amending the Conditions of the Environmental Permit, harmonizing the changes in Petrokemija d.d. that resulted from the spin-off of certain segments of environmental protection (i.e. Phosphogypsum Stockpile and Neutralisation Section) into the new company DE-FOS d.o.o. Kutina and defining a new time frame for implementing technical and technological solutions and measures that will ensure Petrokemija d.d. fully complies with the legal regulations and limit values for the emission of pollutants for all components of the environment.

The adoption of this Decision enables Petrokemija d.d. to continue with the optimisation of the business processes and the restructuring of the Company.
