Explanation of the reported losses for 2012

With regard to the inquiries of its shareholders, the Management Board of Petrokemija, Plc. has decided to publish an explanation of the part of the Annual Report for the Jan to Dec 2012 (published on the Zagreb Stock Exchange on February 14, 2013) stating the reasons for the losses incurred. In the total losses incurred for 2012, the share of the loss due to unplanned downtime of certain plants is HRK 39.4 million, out of which HRK 13.0 million accounts for the cost of natural gas and HRK 26.4 million for fixed costs of Ammonia and Urea plants during downtime. However it is to be noted that the report is an interim, unaudited Annual Report of Petrokemija and Petrokemija Group, subject to possible amendments until the final publication of the audited financial statements.
