

Varteks production facilities detached into limited liability companies with the aim to increase efficiency and strengthen market competitiveness

In accordance with the Integral Business and Financial Restructuring Plan, which also includes the reorganization of the company, Varteks's production facilities have been detached into three separate legal entities: Varteks odjeća d.o.o., Varteks Bednja d.o.o. and Varteks Ludbreg d.o.o.

The aim of establishing these limited liability companies is directly linked to the simplification of the management structure, the transformation from a production-oriented to a market-oriented company, higher operative efficiency in responsibility centers, and thus also higher market competitiveness.
