Zagreb, 04.05.2020.

ZAGREB STOCK EXCHANGE

To Whom It May Concern,

In response to the article published online on <https://01portal.hr/>, dated 03 May 2020, under title "Viro sugar factory closes, 180 workers out of jobs", as well as in response to the ZSE's request of today, on Volatility Interruption.

Following up to our previous notices, after unification of Croatian sugar producers, all production facilities and employees of Viro tvornica šećera d.d. have been transferred to the newly incorporated company Hrvatska industrija šećera d.d. Consequently, all streamlining processes, including ones effecting the number of employees, are executed on the level of Hrvatska industrija šećera d.d. instead on the level of Viro tvornica šećera d.d.

In respect to the upcoming sugar beet campaign, based on the contracted areas, their geographical location and estimated quantities of sugar beet available for production, it is to be expected that the sugar beet campaign shall be undertaken only in two production facilities, located in Županja and Osijek.

Save perhaps for the above, we are not aware of any new circumstances or facts as to why the price of our stock VIRO-R-A has changed, to the extent that it has been necessary to initiate Volatility Interruption.

Yours sincerely,

Viro tvornica šećera d.d.
